April Newsletter

President's Message

Saturday, April 21, 2007, I was invited to speak at Layland Museum in Cleburne, about getting started in Metal Detecting. I took some show & tell items, such as several detectors, the equipment we usually carry with us (batteries, shovel, nail apron, and a pin pointer, etc...) and several small cases of my local finds. I had a very interested audience and answered many questions. One couple had purchased a detector for their granddaughter and no one knew how to operate it, which led to an invitation to come out to their farm to show the granddaughter how to use her new detector. (The farm contains two 1800's home sites) I'm looking forward to this visit.

Sure hope everyone has been out swingin' and diggin' in this beautiful weather. Speaking of detectin', don't forget our **3rd Annual Jackie Hunt Fun Hunt** at Casino Beach, Saturday, May 12th beginning at 10:00 A.M. It only costs \$10.00 per person. Be sure to bring your own refreshments. See yall' at the meeting on the 15th.
