### President's Message

The 25<sup>th</sup> Annual C.T.T.H. Open Hunt held Saturday October 6, 2007 was a huge success, although we were threatened early by rain. There were fifty-nine registered hunters and everyone went home with something extra. Lunch was prepared and served by John and Kim Edwards and not a soul complained about the delicious BBQ or left hungry. Ed Pavlasek did an outstanding job of providing awards and prizes. Once again, Cecilia Buckholz ran a smooth operation with the registration, id badges and other business operations we all take for granted. I must thank Roger Nickel for being the Hunt Master and suggesting that the club appoint Billy Hunt, Honorary Hunt Master of the Main Hunt. There are others that made our event, a grand event, and you know whom you are. I applaud your effort. And last, I would like to thank the kids that participated. It was a joy to hear their squeals and see the excitement, when they found hidden treasure. They are the future of our hobby.

See ya'll at the meetin', Larry

### Looking for a Volunteer

My work schedule has become unpredictable and I am out of town often. This conflicts with timely publishing of the newsletter. Therefore I am looking for a volunteer to assume my duties as publisher.

### NORSE, TEXAS

Bosque County Texas, 6.8 miles west of Clifton on FM 219 at north end of FM182

Once a prosperous Norwegian colony, it was first settled in 1854. Norse is nothing more than a farming community and only a few buildings remain. Our Savior's Lutheran Church was founded in 1878 and still stands as the last remaining public building in what was the largest Norwegian settlement in Texas.
