

# COWTOWN TREASURE HUNTERS

## Ft. Worth Texas

April Newsletter

### President's Message

The T.C.T.C. Show and Hunt is now in the history books. Our fundraiser with the drawing for the Tesoro Cibola detector was very successful. Once again, I would like to thank Dennis Brasher and Larry Ansley for the donation of the detector. A big surprise for our club was the large display case that was fabricated and donated by Walt Harwell and George Retos, which helped bring us a second place ribbon for best display. A big thanks, to all of the volunteers from our club that worked in different aspects of the show. The following members did very well at the seeded hunt held at Casino Beach:

- Walt Simmons won a 2 Peso Gold Piece and a Eight Reale
- Roland Vallejo won 5 Silver Rounds
- Marvin Lester won 5 Silver Bars
- Jim Mount won a 20oz. Silver Bar
- Cecilia Buckholz won 5 Silver Rounds and a Minelab X-Terra 50 Metal Detector

Congratulations to these winners!! (Plus they found plenty of silver coins that were buried) Next year, the T.C.T.C. Show and Hunt will be held in Killeen, TX. Sometime in March of 2007

It's time to get back to our club's business at hand. A table will be set up for a silent auction at our May meeting, so look around and find something nice to donate.

If the rain would slow down for a while, we could get out and do a little hunting. I'm sort-of hurting for the finds boards. See you all at the May meeting.

Happy Hunting, Larry
